It is with concern and angst that I write this letter to you, the members of the Model A Restorers Club. For very personal reasons, your president, Rita Gould, has decided to resign her position on the MARC Board of Directors.

Rita has been a fixture at almost every MARC national event for the past several decades and has shown most of us what it takes to achieve the highest position on the Board. She'll be missed.

I've been asked to fill her position for the interim and have chosen to take that opportunity in order that the Board and this club receive the continuity they deserve.

I have served on the Board of Directors for six years as your Secretary, Director of Membership and Public Relations and twice as your President. It was an honor to be called on to complete Rita's term and it will be a privilege to work for you once again.

The transition was carried out under the Club Constitution, Article VI, Section 3.

Please give your Board of Directors the support they need to tackle the issues before them in their efforts to continue to keep this club successful.

Joe Valentine, President Pro Tem
